At home, you will need these additional supplies for homework and special projects: **glue, pencils, crayons, scissors, a stapler and a ruler.**

At "**Meet the Teacher**" please bring in your supplies. Please remove them from the packages and label with your child's name (except individual pencils or crayons).

Each teacher has individual needs and may have additional items requested the first week of school. In our experience, we have found that Elmer's and Crayola brand products are a better value for your money.

We look forward to working with you and your child! Thank-you so much in advance!

Sincerely,
The First Grade Team
